

**REMARKS**

Claims 1-17 and 28-36 are pending in this application.

Claims 1-10 and 28 are allowed.

Claims 12-13, 16-17 and 29-36 are objected to.

Claims 11, 14 and 15 are rejected

The Advisory Action dated Feb. 28, 2007 indicates that claims 11, 14 and 15 remain rejected over Seymour U.S. Patent No. 5,967,049.

Base claim 11 has been cancelled, claim 12 has been rewritten in independent form, claims 14, 15 and 17 have been amended to depend from amended claim 12 instead of claim 11, and claims 13 and 16 have been amended to depend properly from amended claim 12. These amendments should place the application in condition for allowance.

Claims 29-36 have not been amended, since they depend properly from amended claim 12.

The previous response attempted to add claims 37-39 to the application. However, these claims were not entered, so there is no need to cancel them.

This amendment is timely, since the shortened period for response ends three months from the date of the final office action, which is Jan. 10, 2007.

A continuation will be filed on base claim 11.

The examiner is encouraged to contact the undersigned to discuss any issues that might remain.

Respectfully submitted,

/Hugh Gortler #33,890/
